***RE-RENT PRICING & TERMS:**

Contact your Regional Manager for Rental Rates

Notes

- **Rates are based on a 4-week month; (160 hours max. per month)**
- **Minimum Rental Terms: 2 months**
- **Maximum Rental Terms: 6 months**
- **90% of paid rental shall apply to original net price if purchased**
- **Seasonal (Skip Payment) / Rental-Split Program available. Ask for details**
- **Dealer/Customer is responsible for all freight cost; FOB closest Okada shipping location**
- **Each hammer shall be shipped with (1) working tool. The cost for an additional tool or tools, blades, crushing teeth, etc. shall be the responsibility of the renter.**
- **The rental transaction and the rate are subject to prior approval and are at the discretion of Okada America Inc.**

All of the above units are available on a first come, first served basis. All hammers and crushers are standard equipped with a set of hydraulic hoses with threaded JIC fittings. Photos of completed units can be made available upon request. Checks or PO's will have priority over verbal promises or holds. Call your Regional Manager if you need photos or additional information.
